

Walker Elementary Counseling Newsletter

2018-2019

Hello, my name is Mrs. Bush and I am the School Counselor at Walker Elementary. I am so excited to part of this amazing team of educators and serve the children of this school.

A LITTLE BIT ABOUT MYSELF:

I recently moved to San Antonio, TX from Baton Rouge, Louisiana. I have 15 years of professional experience in education as a Colligate Academic Counselor, School Counselor, and as a District School Administrator. After earning my Master's Degree in Counselor Education in Louisiana, I have been working with children in grades Pre-K to 12th grade ever since. I enjoy helping students be the best that they can be.

Just to name a few...

***Individual Counseling:** Individual counseling services are offered on a referral basis. Students can be referred by a teacher, counselor, parent or self. Reasons for referrals can be personal, social, or educational.

****Guidance Lessons:** Guidance lessons take place in the classroom with large or small groups. The purpose of guidance lessons is to teach students about a positive school environment. Some topics for Guidance Lessons are: healthy friendships, respect, making good choices, working together, gossip/rumors, bullying, tattling, identifying and expressing feelings, and drug awareness/prevention.
